FAKULTI EKOLOGI MANUSIA

Maklumat Am

Fakulti Ekologi Manusia (FEM) ditubuhkan dengan rasminya pada 1 April 1992 melalui percantuman Jabatan Pengajian Pembangunan Manusia, Fakulti Pertanian dengan Jabatan Sains Kemasyarakatan, Fakulti Pengajian Pendidikan. Empat jabatan telah diwujudkan iaitu Jabatan Pengajian Pembangunan Keluarga, Jabatan Pengurusan Sumber dan Pengajian Pengguna, Jabatan Pemakanan dan Kesihatan Komuniti, dan Jabatan Pengajian Pembanguan Sosial.

Sebagaimana namanya, Fakulti Ekologi Manusia memberi fokus kepada manusia yang menjadi tunggak kepada kemajuan dan pembangunan sesebuah negara. Sebagai sebuah fakulti berasaskan sains sosial, aktiviti pengajaran dan pembelajaran, penyelidikan dan khidmat profesional adalah bermatlamatkan kepada peningkatan kesejahteraan individu, keluarga, dan komuniti.

Bagi menyahut cabaran universiti penyelidikan, FEM bergiat meningkatkan aktiviti penyelidikan dan penerbitan. Walaupun Kementerian Sains, Teknologi dan Inovasi (MOSTI) adalah penyumbang utama dana penyelidikan, sumber dana lain seperti kerajaan negeri, badan bukan kerajaan (NGO) dan sebagainya tidak kurang pentingnya. Dapatan penyelidikan dikongsi dan disebarkan melalui pembentangan dalam seminar, persidangan, bengkel dan yang paling utama adalah melalui penerbitan jurnal, buku, dan sebagainya.

Kini FEM mempunyai lima jabatan iaitu Jabatan Pembangunan Manusia dan Pengajian Keluarga, Jabatan Pengurusan Sumber dan Pengajian Pengguna, Jabatan Sains Kemasyarakatan dan Pembangunan, Jabatan Muzik dan Jabatan Pengajian Kenegaraan dan Ketamadunan.

General Information

The Faculty of Human Ecology (FHE) was officially established on 1st April 1992 through the merger of the Department of Human Development Studies from the Faculty of Agriculture with the Department of Social Sciences from the Faculty of Educational Studies. Four departments were then established, namely, the Department of Family Development Studies, Department of Resource Management and Consumer Studies, Department of Community Nutrition and Health, and the Department of Social Development Studies.

As its name implies, the Faculty of Human Ecology focuses on human beings as the pillars of progress and development of a country. As a social science-based faculty, its teaching and learning and research and professional services activities are aimed at enhancing the well-being of individuals, families and communities.

In response to the challenge of being part of a research university, FHE actively promotes research and publication activities. Although the Ministry of Science, Technology and Innovation (MOSTI) is its main source of research funds, other funding sources such as state governments, non-governmental organizations (NGOs) and others are no less important. Research findings are shared and disseminated through presentations at seminars, conferences, workshops and, most importantly, through the publication of journals, books, etc.

Currently, FHE has five departments, i.e. the Department of Human Development and Family Studies, Department of Resource Management and Consumer Studies, Department of Social and Development Sciences, Department of Music and the Department of Government and Civilization Studies.
